

A COMPREHENSIVE BULB RANGE

The HELLA bulb range offers quality, choice and long-term value. Manufactured to precise OE specifications and tested for thousands of hours, HELLA bulbs are designed to ensure that they provide perfect performance and long life at a reasonable cost.

For those who require a genuine OE replacement bulb, our comprehensive range also includes Philips MasterLife bulbs, which are designed to last for up to 1,800 hours longer than conventional bulbs.

PHILIPS

PHILIPS MASTERLIFE

With a special double-coil filament design and a new, heavier, gas filling composition designed to reduce tungsten evaporation, Philips MasterLife bulbs last up to 1,800 hours longer than standard bulbs.

- » Advanced design to reduce tungsten evaporation
- » Lasts up to 2.5 times longer than any other 24v lamp
- » Lifetime extension technology for a longer lifespan of up to 1,800 hours
